

SEO Pack — April 2026

Paste each section directly into Wix → Pages & Menu → ... → SEO Basics

■ HOME PAGE

SEO TITLE:

CensusGuard™ | AI-Driven Patient Retention | AnchorPoint Health Systems

META DESCRIPTION:

CensusGuard™ predicts SUD treatment dropout in real time — before patients leave. Trained on 952,358 federal episodes. 89.6% accuracy. HIPAA Compliant. No new hardware.

KEYWORDS:

AI patient retention, SUD treatment dropout prevention, behavioral health AI, treatment retention software, AMA discharge prevention, addiction treatment technology, CensusGuard

OG TITLE (Social Share):

CensusGuard™ — See the Signs Before the Shift

OG DESCRIPTION:

Real-time AI that monitors every patient, every BHT check-in, and fires an alert before they walk out the door. 952,358 federal episodes. 89.6% accuracy.

■■ CENSUSGUARD™ PRODUCT PAGE

SEO TITLE:

CensusGuard™ | Real-Time AI Early Warning System for Treatment Retention

META DESCRIPTION:

CensusGuard™ connects to your existing EHR and scores every patient's dropout risk in real time — triggered by every BHT check-in. 89.6% AUC-ROC. HIPAA Compliant. No wearables.

KEYWORDS:

CensusGuard, patient dropout prediction, SUD treatment retention, behavioral health EHR integration, AMA prevention software, real-time patient monitoring, addiction treatment AI, Kipu EHR

OG TITLE (Social Share):

CensusGuard™ | AI That Catches Patients Before They Leave

OG DESCRIPTION:

Every BHT check-in triggers a complete rescore across 29 clinical risk features. Alerts fire while the patient is still in the building. Built for SUD and behavioral health facilities.

■ DEMO PAGE

SEO TITLE:

Live Demo | CensusGuard™ Patient Retention Dashboard | AnchorPoint

META DESCRIPTION:

See CensusGuard™ in action. Explore the real-time patient risk monitor, census floor, group cohesion scoring, active alerts, and ROI calculator. No login required.

KEYWORDS:

CensusGuard demo, patient retention dashboard demo, behavioral health AI demo, SUD treatment software demo, treatment facility risk dashboard

OG TITLE (Social Share):

See CensusGuard™ Live — No Login Required

OG DESCRIPTION:

Explore the full CensusGuard™ dashboard — Patient Risk Monitor, Census Floor, Group Cohesion, Active Alerts, and ROI Calculator.

■ PRICING PAGE

SEO TITLE:

CensusGuard™ Pricing | AI Patient Retention Plans for Treatment Facilities

META DESCRIPTION:

CensusGuard™ starts at \$3,500/mo for facilities up to 30 beds. All plans include every feature. Retain 4 additional patients per month and recover your investment 9x over.

KEYWORDS:

CensusGuard pricing, behavioral health AI software cost, SUD treatment technology pricing, patient retention software plans, treatment facility software subscription

OG TITLE (Social Share):

CensusGuard™ Pricing — 9x ROI Minimum

OG DESCRIPTION:

Essential \$3,500/mo · Professional \$6,500/mo · Multi-Site \$12,000+/mo. All tiers include every feature. Retain 4 patients = 9x return every month.

■ ABOUT PAGE

SEO TITLE:

About AnchorPoint Health Systems | Built by Someone Who's Been There

META DESCRIPTION:

AnchorPoint Health Systems was founded by Kourtney Rhodes — a person in recovery who used AI to build the platform she wished existed. Based in Moore, Oklahoma.

KEYWORDS:

AnchorPoint Health Systems, Kourtney Rhodes, behavioral health AI company, addiction recovery technology, Oklahoma health tech startup, lived experience founder

OG TITLE (Social Share):

AnchorPoint Health Systems — Built by Someone Who's Been There

OG DESCRIPTION:

Founder Kourtney Rhodes built CensusGuard™ because she was the patient nobody caught in time. Now she's using AI to make sure it never happens again.

■ CONTACT / REQUEST A DEMO PAGE

SEO TITLE:

Request a Demo | CensusGuard™ | AnchorPoint Health Systems

META DESCRIPTION:

Schedule a live CensusGuard™ demo for your treatment facility. See real-time patient risk scoring, census floor view, group cohesion tracking, and configurable alerts in action.

KEYWORDS:

request CensusGuard demo, behavioral health AI demo request, SUD treatment software demo, AnchorPoint Health Systems contact, treatment facility AI pilot

OG TITLE (Social Share):

Request a CensusGuard™ Demo

OG DESCRIPTION:

See CensusGuard™ live. Real-time patient risk scoring, configurable alerts, group cohesion tracking, and an ROI calculator built for your facility's bottom line.
